

W5F

5" ULTRA SLIM WALL SPEAKER, BLACK (PAIR)

-  Low Impedance Input
-  HF Driver Protection
-  Detachable Logo
-  Easy Install
-  Ultra-Thin Design
-  Discreet Design

The W5F speakers feature the slimmest design available on the market along with the easiest installation. With their discreet and elegant design, the W5F will enhance the decor of your store, restaurant, hotel, commercial space or even in your home as surround speakers. With the included bracket which is molded into the speaker, the installation is easier than hanging a picture. The spring-loaded wire terminals and the molded speaker wire grooves seamlessly hide all the wires behind the speaker providing a clean appearance.
