

PFA15p

PASSIVE FULL-RANGE SPEAKER / MONITOR

The PFA15p is a passive 15" speakers engineered specifically for installations, musicians and DJs to deliver high output and dynamics, extreme linearity and fidelity at a very competitive price, making them an affordable solution for the professional market. Recommended for use in either fixed installations or mobile applications the PFA15p is effective both as a stage monitor or as a compact FOH system. This speaker employs premium-quality multi-plywood with a hardening, durable, and scratch-resistant coating, fully rotatable constant directivity HF horns to adjust HxV angle coverage and custom-made speaker drivers.
